Hope Hospice was founded 40 years ago by individuals in the community because they saw a need. Today, Hope Hospice is thankful that the same spirit of partnership that began in March 1984 continues to be at the heart of who we are. Hope is honored to be able to support and care for the community that continues to support and care for us!

Provided wherever you are, usually in a home, nursing home, or assisted living facility.

Counseling support for caregivers and loved ones.

Social support services to help patients and families cope.

24/7 Access to a member of the hospice team at all times. In many cases, family members or loved ones are the primary caregiver.

Guidance and support through the end-of-life process.

## Hospice Care is

Needed medical supplies and equipment.

Basic medical care with a focus on pain and symptom control.

Hope Hospice's non-profit status allows us to serve underinsured or underfunded patients. We never turn anyone away because of their lack of ability to pay.

A break for caregivers.

Can be covered under Medicare, Medicaid, most private insurance plans, HMOs, and other managed care organizations. Hospice programs cover almost all expenses, but insurance coverage for hospice can vary. Many hospice programs are covered under Medicare. Typically a person must be within six months of death, or their illness considered terminal, to receive hospice benefits through insurance.
