BRINGING JOY THROUGH HEALTH EDUCATION

Amazing Grace Maritime Missions’ health education program provides basic first aid kits and teaches kids about dental hygiene, wound care and hand washing. Seeing the joy on the kids’ faces when they receive their new toothbrushes and toothpaste is always encouraging and sobering. A true reminder of how blessed we are to be able to provide these basic supplies that can be scarce in otherwise underserved communities. Working together, we can make a positive difference in people’s lives. Purchasing and filling a Home Health Kit is a great service project for bible study groups, children’s programs, individuals and families.

SERVING THE SERI TRIBE IN PUNTA CHUECA

Located 265 miles south of Nogales, AZ, is a fishing village called Punta Chueca. The residents are descendants of the Seri Indians who lived on Tiburon Island in the 1800s, as seen in the background. With a population of about 520 inhabitants (2010 census), this hot desert environment hosts the only church in the village who is led by Pastor Marco. We met him and his wife, Rosario in August 2023. With your generosity, we provided about 20 Home Health Kits to their church youth group. In 2024, God willing, we will bring our ship Amazing Grace with medical professionals who can provide community health evangelism and the Armor of God health education curriculum that covers both physical and spiritual health.

THE STORY OF GRACE

Bigger than yourselves and more different than you can imagine, were the words we heard when God called us to follow Him and begin Amazing Grace Maritime Missions in 2000. Since arriving in Mexico in 2017 we have sailed over 6,000 nm on various vessels, providing 500 Home Health Kits and taken almost 600 adults and youth sailing. We’ve seen God move in so many miraculous ways sharing our ministry journey with thousands of people, all to God’s glory. Our journey of perseverance has inspired others to follow God’s calling to start ministries and churches, homeschool groups and follow Christ for their lives. We are eternally grateful for those who walk with us on this journey of Grace, Hope and Redemption.

God bless you, Zeus and Charlotte Ebio

THE ISLAND CULTURE | Building a strong foundation

At Isla de la Piedra, aka Stone Island, AGMM partners with Calvary Chapel Isla de la Piedra church to provide health education programs. Over the past 6 years on Stone Island, we have conducted several disease prevention programs and found that most of the children on the island have never received dental care. Their culture does not yet value preventative dental care or proper dental hygiene. Please consider sponsoring a child’s dental exams and cleaning twice a year. For \$60 USD a year, you can help build a healthy foundation for the island culture to better care for their teeth. Please go to our website www.AGMaritimeMissions.org to partner with us!

FULFILLING DREAMS TUTORING PROGRAM

With tears in his eyes Tony, a retired school teacher from the mountain community of San Ignacio said as we handed him two laptops, “Thank you for believing in me and helping my dreams come true.” During the school closures caused by COVID, Tony witnessed children who desperately wanted to learn but didn’t have the resources to move to online education. Because of your generosity, Tony can start a tutoring program for the poorest children in his community. Thank you for believing in us to provide health and education programs in Mexico!

CREATING SMILES | With Preventative Dental Care

Little Nina has a sweet smile but because of her cavities she had little to smile about. Inspired by their time working together, dentist Dulce and Charlotte created the Dulce Dental Program which provides regular dental checkups and cleaning to at-risk kids. Partnering with local dentists, Amazing Grace Maritime Missions provides scholarships for children to receive 2 dental exams and cleanings annually including 1 cavity filling per visit. If the child requires more care, their parents or relatives cover the additional expenses. With this scholarship, it encourages the family to develop good dental hygiene habits and to schedule regular check-ups.

ENCOURAGING FAMILIES | With Homeschooling Workshops

“Brilliant!!! Thank you so much,” cheered homeschooling mom, Angela, about our homeschool workshop. “We need these meetings and classes for our children in addition to learning from you Charlotte. Thank you very much for your love and time.” Our homeschooling workshops help equip families with tools to make lesson plans and find resources to provide their children a quality faith driven education in Mazatlán, Mexico.

SEEING GOD MOVE | **Armor of God Outreach**

Filled with joy and excitement, our Outreach Team looked forward to providing health education for the children in Puerto Lobos and Desemboque, fishing villages!

God called each member of our team to share Christ’s love. Each person was equipped with exactly what the kids needed. The team consisted of senders that sponsored the Home Health Kits, short term missionaries, the Mexican teachers, churches and, most of all, the families.

Deb, mission outreach team member from Casa Grande, AZ, said about her experience and of the people we served, “Amazing to see...(I’m) overcome by their exuberance and joy in praising the Lord...this was a wonderful experience.”

HEALING THROUGH PLAY | Pediatric Play Center

As we set up the games, books and cubbies for the pediatric play area for the San Ignacio Hospital, Dr Claudia said she and the other doctors pray for our ministry and our partners because she knows that together, across countries, we care for the people of the San Ignacio community. Scientific studies show that play added to medical care creates a healthier environment and decreases pediatric patients’ recovery time. The play area also provides opportunities to teach health education thereby increasing overall community health. Our goal at AGMM is to share the love of Christ through health and education programs by Land and by Sea.

TEACHING LIFE LESSONS | Bible Study at Sea

“The wind is like the Holy Spirit,” begins Zeus as he teaches youth sailing, “the tiller is how you choose to direct the sailboat to harness the wind in your sail. In your life, you can choose to live with the power of God’s Spirit or on your own power.”

Aboard our sailboats we give children sailing experiences teaching biblically based life skills. Training students to build character through learning how to sail.

MEXICO'S FIRST MEDICAL SHIP

Access to healthcare in remote coastal villages of the Sea of Cortez, Mexico is a challenge. The nearest hospital or dental clinics can be several hours away traveling on dirt roads. Partnering with Youth With A Mission (YWAM) Ships Mazatlán, who invested time and money restoring the m/v Amazing Grace, we can deliver basic healthcare to these villages and provide housing and meals for the volunteer medical professionals, YWAM students and certified ship's crew. According to Sinaloa's Department of Health, m/v Amazing Grace is the first medical ship to serve the people of the Sea of Cortez, Mexico.

Partner with us, so that you can experience the joy of meeting the people's needs in the most isolated and disadvantaged communities in the Sea of Cortez.

“May the grace of the Lord Jesus Christ be with your spirit. Amen.”
Philippians 4:23

Testimony of those whom we serve:

“Thanks a lot with all my heart. I am increasingly surprised that sharing is like smiling for you, and is so genuine... Our church celebrates!” said Pastor Maria from Iglesia Maranatha en el Desierto in the tiny fishing village of Puerto Lobos. Amazing Grace Maritime Missions comes alongside local churches to help them serve their communities. Pastor Maria and her brother, youth pastor, Chuy had just opened their church in the tiny fishing village when MaChelle from YWAM Out-reach Puerto Peñasco introduced us.

Our goal is to build long lasting relationships with people in remote communities like Puerto Lobos providing health and education programs bi-annually making a lasting change through committed relationships.

Partnering with YWAM Ships Mazatlán, we provide a mobile clinic that offers medical services & the capacity to house 24 volunteers to serve the isolated on our ship m/v Amazing Grace.

Healthcare by Land

Our objective is to improve the health and quality of life of Mexican people through community health evangelism. Through our disease prevention program, we provide medical supplies and "Armor of God" health education.

Education through Sailing

Aboard our sailboats, the s/v Amazing Hope and s/v Vigilance, we teach safety at sea to students from around the world who come to study God's word and be equipped to carry the gospel to remote communities by boat. We also give children and at-risk youth training and sailing experiences teaching biblically based life skills.
