A standard bearer of innovation and artistic excellence, **Orpheus Chamber Orchestra** is one of the world's foremost chamber orchestras. Orpheus was founded in 1972 by a group of like-minded young musicians determined to combine the intimacy and warmth of a chamber ensemble with the richness of an orchestra. With 71 albums, including the Grammy Award-winning *Shadow Dances: Stravinsky Miniatures*, and over 50 commissioned and premiered original works, Orpheus rotates musical leadership roles for each work and strives to perform diverse repertoires through collaboration and open dialogue.
