THE NEW YORK STATE CAPITOL
Albany, NY

The magnificent Capitol building in Albany has served New York State for over 100 years. Beginning construction in 1867 and lasting until 1899, five architects and an estimated 1,500 stone carvers spent their days crafting this structure. It was the grandest and most elaborate state capitol of the 19th century. Today it is open to the public to explore architectural features unlike any other.
